Office: (713) 644-8292
Fax: (713) 649-8251**

**Telephone /Address Information Update
Form**

Please complete this form for the new calendar year and as your personal contact information changes so that I may keep telephone / address lists updated for the Human Resource Department. This is most important for W-2 and paycheck mail outs, or in the event you relocate or change jobs. Please include cell phone number changes as well. Thank you very much.
