Dear Houston Gateway Academy (HGA) Parents,

It is with great honor that I write to inform you that HGA's Board of Trustees has promoted me to be the new interim superintendent. Under my guidance, I want to assure you that our dedicated and exceptional staff will continue to provide a high quality education, as HGA has done so consistently for the past few years.

As a former principal and School Support Officer in Houston ISD, as well as principal and Chief of Academics here at HGA, I fully accept how important parental support is to ensuring that we achieve our mutual mission of providing the best education possible to your children and our students.

For those that already know me, as well as those who do not, please understand that I will continue to put our students first in every decision that I make.

Accordingly, please do not hesitate to reach out to me if you have any questions or concerns.
