NOTE: This document, its design and design incorporated herein are and shall remain the property of the undersigned. These documents are not to be used or altered, in whole or in part, for other than the project intended, and they are to be assigned to any third party without written permission from the undersigned.

NOTE: By act of signing a bid for the proposed contract, the bidder certifies that he, under, and all subcontractors and material suppliers he intends to use have read and thoroughly reviewed the drawings and specifications and other contract documents, and have determined that they are in full compliance and sufficient for the system intended. The bidder further warrants that to the best of their or their subcontractors' and material suppliers' knowledge, information and beliefs, no errors or omissions have been made in the drawings and specifications.
