“Committed to Excellence in Education”

Attendance and Tardy Policies: The instructional day begins promptly at 7:45 a.m. One of the most valuable life skills a student can learn is taking the responsibility of arriving at school every day on time. This skill can be easily accomplished

and will transfer as a valuable asset for the future. The whole tone of a child’s school day is set in the first part of the day. Please help support your children in learning habits that will help them be successful at school and throughout life.

Open House: We are excited to invite you to our first Open House on Friday, October 23rd from 2:45 p.m. to 4:30 p.m. to retrieve your child’s report card for the first nine weeks. This is a great opportunity to speak with teachers about your child’s progress, needs, and abilities.

Playground Attire – With cooler fall days upon us, please make sure your children are equipped to handle the variable weather outside.

Empowered Coalition Program: The second session is underway and meetings are held on Tuesday’s at the Elite Campus and Thursday’s at the Evergreen Campus at 9:00 a.m. and 6:00 p.m.

Red Ribbon Week (Respect yourself. Be drug free): There is a week long effort in which everyone will have the opportunity to show their support of being drug free.

Monday, Oct. 26: RED-y to be Drug Free! Wear as much as red as possible to take a stand against drugs.

Tuesday, Oct. 27: Sock it to Drugs! Wear your most outrageous or colorful socks.

Wednesday, Oct. 28: Put a Cap on Drugs! Crazy Hair/Hat day!

Thursday, Oct. 29: There’s nothing to be confused about; don’t take drugs! Wear mismatched clothes/ridiculous outfits.

Friday, Oct. 30: Drugs have no place in my future! Dress as someone you would like to become in the future.

Involvement in School: Remember, research shows parental involvement has the biggest effect on a child’s school success. Children look to their parents as behavioral models, especially when it comes to learning. If parents do not seem to value learning, children pick up on that, and it affects the way they approach school. Academically accomplished children are those eager to learn and that may stem from seeing a parent display a natural curiosity and passion for learning.
