“Committed to Excellence in Education”

Instructional Time is Important!

The instructional day begins promptly at 7:45 a.m. and we highly encourage all students to arrive on time and remain at school until dismissal time. Every minute counts, even up until the last minute! We appreciate your continuous parental support of protecting instructional time in order to assure student success.

Students will be rewarded quarterly upon completing the reading requirements. Guidelines will be sent home by the teacher prior to the start of each quarter.
