

Technology Applications Teacher

Houston Gateway Academy is seeking a knowledgeable and innovative Technology Applications Teacher to provide students with essential digital literacy, technology, and computer science skills that support academic achievement and college and career readiness. The Technology Applications Teacher will deliver standards-based instruction aligned with Texas Essential Knowledge and Skills (TEKS) while reinforcing Houston Gateway Academy's commitment to academic excellence, structure, and student success. The ideal candidate will create a structured, engaging learning environment where scholars develop responsible technology use, problem-solving skills, and foundational computer applications needed for success in the 21st century.

Key Responsibilities:

- Plan and deliver engaging technology applications instruction aligned with TEKS and Houston Gateway Academy academic expectations.
- Teach digital literacy, keyboarding, productivity tools, coding basics, research skills, and responsible technology use.
- Integrate technology skills that support student learning across core content areas.
- Promote digital citizenship, internet safety, and responsible use of technology.
- Maintain a structured classroom environment that reflects Houston Gateway Academy's culture of discipline, accountability, and high expectations.
- Monitor and assess student progress through classwork, projects, and technology-based assignments, providing timely feedback and support.
- Support students in developing critical thinking, problem-solving, and collaboration skills through technology integration.
- Maintain and manage technology equipment, ensuring devices are used appropriately and safely.
- Collaborate with teachers and administrators to support campus technology initiatives and instructional goals.
- Assist with campus technology needs, digital learning platforms, and student support when appropriate.
- Communicate effectively with staff and parents regarding student progress and expectations when needed.
- Maintain professionalism and uphold Houston Gateway Academy standards and expectations.

Qualifications:

- Bachelor's degree from an accredited four-year college or university
- **Preferred a Valid Texas Standard Teaching Certificate Technology Applications**
- **Demonstrated knowledge of core subject area assigned.**
- **Satisfactory outcome of a background check. Employees are responsible for a non-refundable fingerprinting fee (approximately \$50.00).**
