

Child Find

is a process designed to
identify, locate, and evaluate
individuals from birth to
21 years of age who may
need special education
and related services.

If you are concerned that your child may have a disability, contact your local school district or charter school for more information about the Child Find process.

Region 4 Special Education Solutions provides districts, campuses, and families with technical assistance related to Child Find.

For questions, inquiries, or more information, contact specialeducation@esc4.net or call 713.744.6868.

School districts and public charter schools must ensure that a Free and Appropriate Public Education (FAPE) is provided for children who are identified as needing special education and related services.
